

DAV PUBLIC SCHOOL, WALMI COMPLEX, PATNA

School will now be using a New Mobile Application Snap Homework to Communicate with Parents/Students.

This app will allow teachers to easily communicate with parents.

Parents will receive classroom updates, homework, worksheets and messages from the teacher through this application.

Parents need to Sign in only once
Parents are requested to DOWNLOAD this FREE app on their phones.

This application will enhance teacher-parent communication while supporting an e-learning initiative to reduce use of paper.
